2nd June, 2015

To Whom It May Concern,

I hope this letter finds you enjoying the best of health and spirits amidst your many demanding duties. I am the President of Kyungnam University, a 4-year comprehensive university located in Changwon and Seoul, Korea. I would like to take this opportunity to introduce the Kyungnam University ODA(Official Development Assistance) Full Scholarship Scheme, which is supported by the Korean government.

This program is designed for students from developing countries who would not be otherwise able to afford to undertake bachelor level study in Korea. The goal of this program is for students to gain skills and knowledge which will allow them to contribute to the development of their home countries.

This program fully supports students so that the students can concentrate on their study without any financial burdens. The scholarship includes a four-year tuition waiver and a four-year dormitory fee waiver. The university also provides \$500USD for monthly allowance, as well as medical insurance every year.

Attached you can find further information about this program, as well as general information on Kyungnam University. You may also visit our website (www.kyungnam.ac.kr). I would be grateful, if you could recommend two students who are interested in Korean culture and are eager to study in Korea. The application deadline is the 26th June, 2015. Please contact Mr. Minjoun Shim (shimlondon@kyungnam.ac.kr) if you have any questions on the program.

Yours Sincerely,

A handwritten signature in blue ink that reads "Jae Kyu Park".

Dr. Jae Kyu Park

President

Kyungnam University
