

## Things You Should Know Before You Submit Application

- 1 Already submitted application and fee are nonreturnable and details cannot be amended or cancelled. If all required documents are not supplied your application will not be processed.
- 2 Application form and required documents must be provided in Korean or English.
- 3 Transcripts and graduation certificates must be notarized by a Korean consulate in the applicants home country or the applicants home country consulate in Korea.  
\*If your country is a member of Apostille Convention, you only require an Apostille stamp (An Apostille is an international certification comparable to notarization in domestic law, and normally supplements a local notarization of the document).
- 4 If false and/or counterfeit documents are found at anytime to have been submitted, your right to study will be cancelled.
- 5 You can check the arrival of your application and supporting documents through email or by phone 7 days after they have been submitted or sent. If your documents have not arrived, the school will not be held responsible for any lost or damaged documents. It is the sole responsibility of the applicant to ensure the safe arrival of the documents.
- 6 Successful applicants must pay the required fees by the due date or the admittance decision will be revoked.
- 7 If your visa is denied your admittance will be cancelled and fees will be refunded except application fee.
- 8 If the contact details provided are incorrect or the applicant cannot be reached, the school will not be held responsible.
- 9 By submitting your application, you agree that all personal information collected by the school may be used for the application process and school administration.
- 10 Any information not provided in this document will not be the responsibility of KU in accordance with KU school law.
