

International Conference 2022
Accounting, Auditing, Finance and Management: A Globalization's Perspective.
August 27th, 2022

It is our great pleasure to invite you to the International Conference on **Accounting, Auditing, Finance and Management: A Globalization's Perspective**. The Conference is jointly organized by The Faculty of Accounting and Auditing, Ho Chi Minh City Open University and The Faculty of Finance and Accounting, Nha Trang University, and will commence on **August 27th, 2022**.

This year's Conference focuses on creating a global platform for discussion, collaboration and intellectual exchange among educational leaders, academicians and professionals in related areas of accounting, auditing and management from all over the world. The Conference is also aimed at exploring innovative ideas and practices related to finance, accounting, auditing and management from the globalization's perspective.

We are interested in inviting prospective researchers, educators, practitioners, and participants with a professional interest in the field of Accounting, Auditing, Finance and Management.

The Conference is also encouraging and inviting contributions of research papers that analyze and study the aforementioned fields to the Conference.
